Commissioners' Hearing Rooms - Administration Building - 1300 NW Wall St., Bend

PLEASE NOTE:

Meetings are subject to cancellation or change without prior notice. This hearing is open to the public, and interested citizens are invited to attend. The hearing will be recorded on video and audio, and can be viewed by the public live or at a later time; and written minutes are taken for the record, which will be available as soon as possible. If you plan to testify, please complete a sign-up sheet (provided), and give it to the Recording Secretary. Speak towards the microphone and clearly state your name when the Board Chair calls on you, and then provide your comments. If you agree with previous testimony, or if you are representing others besides yourself, please state this. Comments shouted from the audience will not be considered and will not be part of the record, as all testimony needs to be from the microphones and directed to the Board from the testimony tables as citizens are called up to speak.

Testimony time may be limited, based on the number of citizens who wish to speak. Staff will provide an overview of the issue and the hearings process. Oral testimony is not required; written testimony until such time as the hearing is closed is welcome. Please provide written documents to the Recording Secretary for the record. The Board will make every effort to assure all citizens have a chance to provide input, and will ask that those testifying stay within their allotted time.

The hearing will be conducted from 10 a.m. to 12 noon; then again from 1 p.m. to 3 p.m., or later at the Board's discretion. Citizens can choose to attend either segment. It will all be considered as the same public hearing. Those who speak at the morning segment will not be afforded an opportunity to speak again in the afternoon.

If you offer or display to the Board any written documents, photographs or other printed matter as part of your testimony during the public hearing, please be advised that staff is required to retain those documents as part of the permanent record of that hearing.
