Central Oregon Intergovernmental Council (COIC) is requesting that the Deschutes County Board of Commissioners appoint Katie Condit, Executive Director of Better Together, to the COIC Board as an appointed member.

COIC Bylaws require that appointed representatives of the Board of Directors shall consist of persons from Crook, Jefferson or Deschutes Counties and will comprise a minimum of 35% and less than 50% of the membership of the Board and shall broadly represent the economic interests of the region. The appointed representatives shall consist of at least one representative from each County. There shall be at least one private sector representative, and at least one or more of the following: Executive Director of Chambers of Commerce, or representatives of institutions of post-secondary education, workforce development groups or labor groups, all of which must comprise a minimum of thirty five percent of the Board of Directors. Appointed representatives shall serve a two year term but may succeed themselves for any number of terms.

The COIC Executive Committee and Board of Directors have met with Ms. Condit, approved her application for Board membership, and believe she provides a unique perspective beneficial to the board, with regard to collective efforts in Central Oregon for youth education.

COIC is requesting that Deschutes County appoint Katie Condit for a two year term, November 2016 – November 2018.
