

Deschutes County Health Services

COVID-19 Public Health Update

Nahad Sadr-Azodi
Public Health Director

Dr George Conway
Health Services Director

BoCC meeting | February 17, 2021

Deschutes County Cases by Week

Weekly case counts are preliminary. Data for this week is not yet shown. Data are shown based on the date a case first became identified as a case.

Deschutes County Cases by Age Group

Deschutes County Cases by Age Group – Calendar Week of 2/7-2/13

Deschutes County COVID Electronic Laboratory Reports (ELRs) by Week

Daily Count of COVID-19 Patients Currently Hospitalized (St. Charles Health System Data)

Risk-based Framework for Counties

Deschutes County currently falls in the "high risk" category due to substantial spread of COVID-19.

Data as of 2/8/21

Situation Update

***Total # of Summit High School students that have tested positive for COVID in the last week and a half: 42**

***Total # of students who tested positive, and had attended a party the weekend of 2/5-2/7 (as there are reports of several different parties): 36**

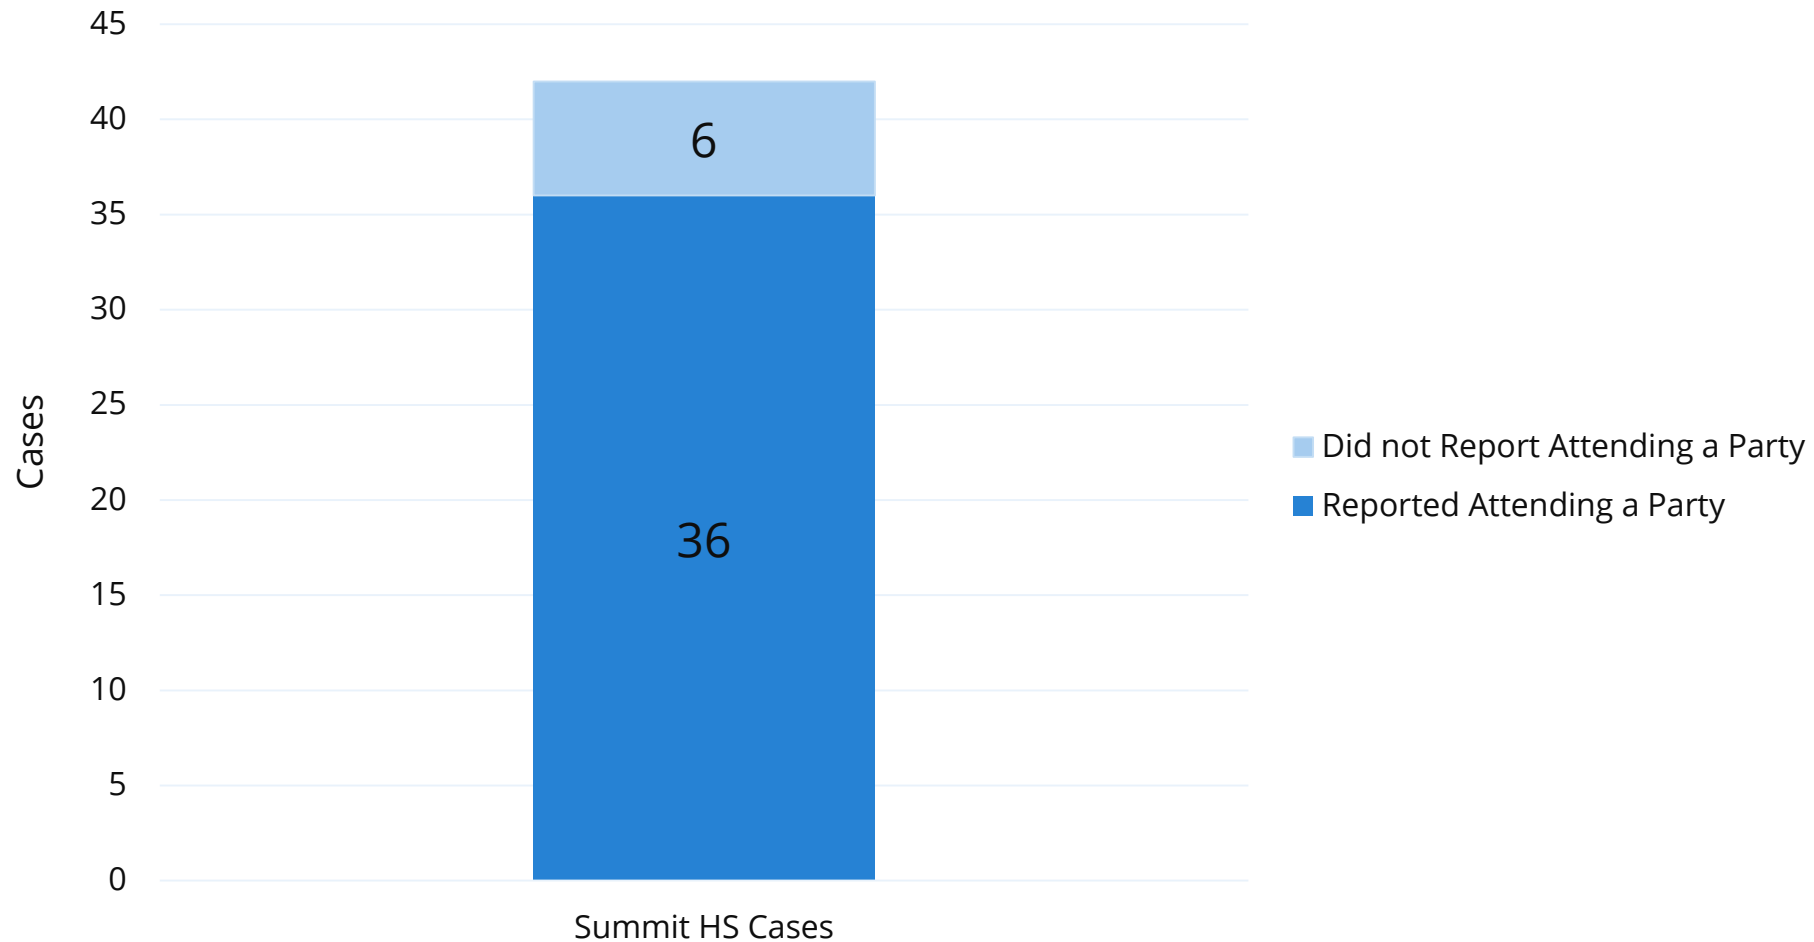

***A testing event for those who may have been exposed to the virus, was put on by DCHS on 2/12, with over 200 tests administered.**

***At this time, 4 high schools, Summit HS, Mountain View HS, Bend HS, and Sky Line HS, all located in BLP School District have had at least one positive student after attending one of these parties (3 students from other high schools are not reflected in the graph).**

***Some second Generation cases (friends and family) are now being seen.**

Situation Update: Risk Factor

Preventing more cases

- We know that there are often many asymptomatic persons (in addition to symptomatic individuals) in such outbreaks
- The biggest risk is that those individuals could bring COVID19 home and infect an elderly or medically fragile family member, who could then become very ill
- Please take advantage of public testing events
- Please maintain social distance and mask up while we vaccinated our population

- Online at www.deschutes.org/covid19vaccine
- Press releases
- Social media

Now serving: 75 years and older

Please fill out the vaccine interest form and we will contact you when doses are available:

vaccine.deschutes.org

If you need assistance to fill out the form, you may call:

541-699-5109

Everyone in Phase 1A, Groups 1,2,3 and 4 are currently eligible for the vaccine.

Group 1

- Hospital staff with patient care responsibilities
- Urgent care
- Skilled nursing and memory care facility healthcare personnel (HCP) and residents
- Tribal health programs
- Emergency medical services (EMS) providers and other first responders
- All health care interpreters and traditional health workers in any setting within Phase 1a

Group 2

- Other long-term care facilities, including all paid and unpaid HCP, all staff and contractors, including residents who meet the age requirements of:
 - Residential care facilities
 - Adult foster care
 - Group homes for people with intellectual and developmental disabilities
 - Other similar congregate care sites
- Hospice programs
- Mobile crisis care and related services

- Individuals working in a correctional setting

Group 3

- HCPs in outpatient settings serving specific high-risk groups
- Day treatment services
- Non-emergency medical transport (NEMT)
- Paid or unpaid caregivers (including parents or foster parents) of medically fragile children or adults who live at home
- Adults and age-eligible children who have a medical condition or disability who receive services in their homes

Group 4

- All other outpatient HCPs
- Other HCP who provide direct service to people with I/DD and other high-risk populations.
- Other public health settings, such as HCP serving WIC, or CBO's with direct or indirect exposures

People eligible: **400,000** approximately

Phase 1B

Beyond Date TBD

Who's getting vaccinated in Oregon next

Group 1

- Childcare providers, early learning and K-12 educators and staff
Eligible week of January 25, 2021

Group 2

- People 80 and older
Eligible February 8, 2021

Group 3

- People 75 and older
Eligible February 15, 2021

Group 4

- People 70 and older
Eligible February 22, 2021

Group 5

- People 65 and older
Eligible March 1, 2021

Educators: **105,000*** approximately
People over 65: **795,000*** approximately

Subsequent groups will be determined in coordination with the Vaccine Advisory Committee and shared on OHA's COVID-19 vaccine web page. These are examples of groups of people who may included:

- Critical workers in high-risk settings — workers who are in industries essential to the functioning of society and substantially higher risk of exposure
- People of all ages with underlying conditions that put them at moderately higher risk
- People in prisons, jails, detention centers, and similar facilities, and staff who work in such settings
- General population

* Oregon's vaccine supply is limited. It is estimated to take 12-15 weeks to vaccinate groups 1-5 of Phase 1B.
