

Where to go for Children's Immunizations in Deschutes County

Many convenient locations offer children's immunizations.
Here are options - and a few tips.

- **Your Child's Healthcare Provider** will have most recommended vaccines available. Call for an appointment.
- **School Based Health Centers (SBHC)** for any child 0 -18 years old. Your child does not need to attend the school where the SBHC is located in order to receive services. Please call to make an appointment. Services will not be denied based on insurance coverage or ability to pay.
