Submitting a claim

Usually, your provider will submit claims for you. If you need to see a provider for a covered service before you receive your ID card, or if you see an out-of-network provider, you can pay and then submit a copy of the provider's itemized receipt or statement for reimbursement.

Find details for submitting claims at PacificSource.com/members/learn-about-my-plan.

We're here to help

At PacificSource, everything we do revolves around taking care of people. And that begins with excellent customer service. When you call us, you'll always speak to a live person—in 30 seconds or less, on average. If you prefer email, we're super-responsive there, too. Either way, our friendly Customer Service Representatives will be happy to help you.

Submitting a grievance or appeal

Before submitting a grievance, we suggest contacting Customer Service with your concerns. Issues can often be resolved at this level.

You may file a grievance or appeal using forms available at PacificSource.com or from Customer Service. Write to:

PacificSource
 Attn: Grievance Review
 PO Box 7068
 Springfield, OR 97475-0068

You may also email LC@PacificSource.com with "Grievance" as the subject.

Prior authorization

PacificSource requires approval in advance for certain medical procedures, supplies, and drugs. This is to determine whether the procedure or medicine is covered under your plan. You can find information on drugs and procedures requiring prior authorization at our website.

Your doctor or pharmacy can request prior authorization from our Health Services Department by mail, email, or fax. If the provider won't request prior authorization for you, contact us and we'll assist with the process.

A prior authorization does not mean the entire cost of the service will be covered. Your plan's deductible, coinsurance, and copays still apply. If your treatment is not authorized in advance, you may still seek treatment, but you'll be responsible for the expense if it isn't covered under your plan.

Find a doctor

Your Navigator plan lets you get care across our four-state provider network. Visit our website to search for a doctor or facility by name, specialty, and location. To minimize your cost, search within the **Navigator** network.

Beyond the Greater Northwest, you can get in-network care through our collaboration with Aetna Signature Administrators®. Search their network of more than 1.5 million providers at [Aetna.com/ASA](https://www.aetna.com/asa).

Your plan also pays benefits when you see out-of-network providers—usually 50% of the charges. Check your Benefit Summary for details.

Dental benefits

Your dental plan does not require you to use an in-network provider, however, you do have access to a network of providers through the **Dental PPO** network. If you use an in-network dentist, you'll likely pay less.
