Nancy,

Thank you for reaching out to the Oregon Government Ethics Commission to request a training.

As we discussed over the phone, we would be happy to create a customized training for the Terrebonne Sanitary District that focuses on how the Conflict of Interest provisions (including the class exception) and prohibited use of office provisions of the Oregon Government Ethics Law may apply to their future decisions. I have a tentatively reserved Thursday, January 18, 2023 (2:30 – 3:30pm) for the training.

If you could provide some examples of upcoming decisions that the board will be discussing and taking action on, that will help us customize the training to their specific needs.

In the meantime, please share these links to resources with board members.

These handouts are for your reference and are not required at the time of the training session.

1. Guide for Public Officials <https://bit.ly/3Eqccm6>
2. ORS Chapter 244 Overview <https://bit.ly/3yO83Xc>
3. Business / Business with Which Associated <https://bit.ly/3CxJmOP>
4. Gifts Flowcharts <https://bit.ly/3zfbwiV>
5. Conflicts of Interest Flowchart <https://shorturl.at/JTX09>

If any of the links do not work, the resources for this training can also be found on the Training Handouts page of the OGEC website. www.oregon.gov/ogec

I look forward to working with you.

Thank you,
~Stephanie
