

Agreement for Vegetation Control (No Spray) on County Right of Way

I (We), the undersigned applicant and Owner(s) or Lessor/Renters(s) of tax lot # _____, abutting Deschutes County right-of-way, understand and agree as follows:

1. Deschutes County will apply residual herbicide within eight feet of the pavement edge.
2. Applicant agrees to keep all weeds, brush or other vegetation cut, trimmed or removed a distance of 20 feet from the roadway edge; gravel shoulders will be kept free of all vegetative material
3. Applicant agrees to keep all noxious weeds, broadleaf and woody stemmed vegetation removed from the area between the roadside ditch bottom to the right of way line or fence line, whichever is less.
4. Deschutes County will post signs at the limits of the roadway section where it is requested that herbicide sprays not be used for roadside vegetation control.
5. Applicant understands a new agreement will be required annually (by February 28th).

In accordance with the above, the Deschutes County Road Department agrees to take all reasonable precautions to avoid spraying post emergence herbicides along the roadside between the clearly visible and posted signs. Deschutes County Road Department maintains the right to spray herbicides along all County roadsides in conjunction with road maintenance activities but as a courtesy to the undersigned, will reasonably avoid spraying roadsides as stated above so long as vegetation is controlled by alternate methods to the satisfaction of the County Weed/Vegetation Manager and County Road Department Director or their respective designee.

This agreement will expire annually on February 28th. **This agreement will be revoked upon applicant’s failure to control vegetation to the satisfaction of the Weed/ Vegetation Manager as stated above.** If the Agreement expires, the applicant understands that the County will maintain the roadside using the same measures it uses throughout the County road system, including spraying with herbicides and/or mowing.
