

**REQUEST FOR PROPOSALS
DESCHUTES COUNTY DEPARTMENT OF SOLID WASTE
KNOTT LANDFILL CELL 9 ENGINEERING & CONSTRUCTION
MANAGEMENT SERVICES**

Addendum #1

Project Title: Knott Landfill Cell 9 Engineering and Construction Management Services

Date Issued: May 20, 2021

Proposal Submittal Date: June 4, 2021

This addendum is issued to revise the Request for Proposals for the Knott Landfill Cell 9 Engineering and Construction Management Services dated April, 2021.

There is no change to the proposal submittal date and time. Proposals will continue to be received at the Deschutes County Solid Waste Department, 61050 SE 27th Street Bend, Oregon, 97702, until but not after, 4:00 p.m. on June 4, 2021.

The Addendum shall be as follows:

SERVICES TO BE PROVIDED BY DESCHUTES COUNTY

Deschutes County will retain the services of a professional land surveyor licensed for practice in the State of Oregon to provide for the following:

- Surveying and reporting for documentation of site conditions prior to construction, during subgrade preparation and construction, and during construction phase such as liner and drainage layer construction.
- Surveying, documentation and quantity calculations for construction contractor pay items that are based on volume or area unit prices.
- QA/QC surveying and reporting services during all phases of construction to document installation of individual liner system components as they are installed including, but not limited liner system panel placement, drainage layer placement, leachate cleanout component installation, landfill gas collection system component installation.
- Provide as-built record documentation and drawings suitable for submittal and approval for the Oregon Department of Environmental Quality Construction Quality Assurance Certification Report.
