

**REQUEST FOR PROPOSALS
DESCHUTES COUNTY DEPARTMENT OF SOLID WASTE
LANDFILL GAS UTILIZATION PROJECT-KNOTT LANDFILL**

Deschutes County Department of Solid Waste is soliciting proposals for a developer to construct and implement a project for the beneficial use of landfill gas (LFG) generated at Knott Landfill, located in Deschutes County, Oregon.

LFG conversion projects generating electricity, producing renewable natural gas or similar beneficial uses will be considered. Deschutes County will only consider technologies and developers with a proven and successful record of development and operation of LFG utilization projects in the United States.

The Request for Proposal may be obtained or examined at the Deschutes County Department of Solid Waste offices at the address listed below or viewed at <https://www.deschutes.org/rfps>.

IMPORTANT: Prospective proposers downloading/accessing website-posted specifications and other bid documents MUST complete and submit the Contact Information Form provided on the website, to receive follow-up documents (addenda, clarifications, etc). Failure to provide contact information will result in proposer disqualification.

Proposals must be received by 4:00 p.m. Wednesday, January 19, 2022 and are to be submitted using one of the following formats:

Format 1: Direct submittal of one printed copy and one digital pdf copy addressed to Chad Centola, Interim Director of Solid Waste at Deschutes County Department of Solid Waste, 61050 S.E. 27th Street, Bend, Oregon 97702

Format 2: Email submittal of a digital pdf copy addressed to chadc@deschutes.org. Note: Deschutes County assumes no responsibility for email submittals that are late due to internet outages or other technology problems.

This is not a contract offer and with this solicitation, the proposer assumes any liability for the costs incurred in the preparation and transmittal of proposals in response to the solicitation.

Award of this project will be based on criteria as described in the Request for Proposals and includes, but is not limited to experience, qualifications and performance of Proposers with LFG conversion projects, experience in the development, operation and maintenance of LFG collection systems, regulatory compliance history, project pro-forma and Proposer financial strength, and compensation to Deschutes County.
