Hello,

I am a property owner in Sunriver and wish to express my deep support for side-yard recycling service.

Many properties in Sunriver are occupied by short-term renters (i.e. vacation renters), and do not know how to recycle in Sunriver or Deschutes County, including where to take their recyclable items. Many are also disinclined to take time out of their short visit to Deschutes County to collect and drive their recyclables to a separate location.

Side-yard recycling is convenient and has been shown to result in a reduction of volume entering our waste streams and increase in recycling rates.

Please vote in favor of side-yard recycling service in south Deschutes County, including Sunriver.

Thank you,  
Terri
