Dear Commissioners,

I can't attend the Jan. 31 public hearing in person but wanted to comment on recycling.

I live in Deschutes River Rec Homesites (Three Rivers). I realize that curbside may still be a ways off for us, but I wanted to put in my 2 cents that I fully support the offering of curbside recycling for rural areas of Deschutes County – even with an added expense!

The convenience of curbside service is much preferred over utilizing the depot in Sunriver or going to a landfill (especially in the winter).

Best,
