Hello Chad,

I just want to let you know that it would be a very good thing for us to have Recycling Pick-ups in this area. I've lived in OWW II for about 30 years, and I've taken my recycling to the Sunriver bins. Sometimes they are full, and since I have to make an extra trip to deposit it, I take a lot at once, and it's frustrating to have to come back. I seriously believe that many folks who are not currently recycling would take advantage of a regular pick-up, Even if it were only once a month or maybe bi-monthly.

My two cents worth and thank you for working on this project.
