Subject: Recycle Pickup in Rural Deschutes County

You don't often get email from rfbend@gmail.com. [Learn why this is important](#)

[EXTERNAL EMAIL]

To Whom It May Concern:

I live in DRRH, just outside of Sunriver. It has been brought to my attn that in a future public hearing, options for Recycling Pickup for outlying areas will be discussed.

YES! PLEASE! I would absolutely *love* to have curbside recycling pickup.

Please let me know if I can provide additional information.
