Subject: Recylcing Residential Pick Up Sunriver

[You don't often get email from gjrasussen67@gmail.com. Learn why this is important at <http://aka.ms/LearnAboutSenderIdentification>.]

[EXTERNAL EMAIL]

I strongly support the option to have my recycling picked up on a subscription basis at my home. Currently I have garbage pickup every two weeks which is most adequate for my needs and would propose the same option for my recycling. It is time that Sunriver move into the modern era and dispose of their recycling efficiently by residence rather than driving to a center.
