Dear Mr. Brownell,

I did not see a link to submit comments, so I hope this is correct to submit comments to you.

I fully support Republic's proposal to expand the recycling program to the Sunriver area and others. I will gladly pay \$6/month to have my recycling picked up. I currently take it to the recycling center at the transfer station on south 97. However I know several people who won't bother to take their recyclables there but say they would recycle if it was picked up from their home. So I also support this expansion for this reason because it helps our environment.

Thank you for accepting written comments as I work full time and cannot get off to attend the meeting.

Sincerely,

Brigid Kennaday
