Tim -

I am a resident of Fall River Estates in Deschutes South County. I appreciate the consideration to offer curb-side pick up of recycling. I have been inquiring about this from Republic Services for years.

I take in my recycling to Knott Landfill each week and I know other residents of our community could be helped if the recycling pick up expanded to our neighborhood as well. I am not clear if your expansion plan encompasses our community, but would like to ask that it be part of your consideration.

I think an added \$6 per month to have this service is very reasonable. I also believe that offering the service helps promote the idea to recycle to those who might not be doing this because it is inconvenient to haul recyclables to a landfill themselves.

This is a needed service in South County. I appreciate you taking public comments into consideration.

Sincerely,  
Beth McKeever
