Hello, Tim,

My name is Carolyn Lamberson and I live with my family at 56219 Bufflehead Road, in the Oregon Water Wonderland Unit II neighborhood. My family wholeheartedly supports Republic Services' proposed expansion of curbside recycling in our neighborhood. I went to the [dechutes.org/recycling](https://dechutes.org/recycling) website and didn't see a place to leave public comment, so I am hoping this message can be considered our contribution to the public comment. If not, let me know and I am more than happy to fill out whatever form is required.

Yes, yes, and yes again to curbside commingled recycling our part of the south county!

Thank you,

Carolyn Lamberson
