Good afternoon, Tim

My wife and I were pleased to receive the email flyer about extended recycling in Deschutes County! After Sunriver scrapped its recycling center, we were without a simple location to recycle cardboard, glass, and cans. It frustrated many homeowners who were NOT in Sunriver, as they (Sunriver Proper residents) were somehow able to get curbside recycling while leaving the rest of us out of the mix.

We live just south of the Three Rivers area (south of Sunriver) in the River Forest Acres neighborhood. Curbside recycling would be such a welcome addition for everyone in our neighborhood. I'd pay well over \$ 6 per month for this service.

Thank you very much, Tim. We are thrilled to receive this service in our area.
