Hi Tim,

I live in Three Rivers, and used to be able to take my recycling to the Sunriver location by the fire station, but that one has been out of service for a while now. I have three kids so we go through a lot of groceries and it's been doable but a headache to take all my things to either Bend or La Pine recycling centers. This would be AMAZING to have an option like this for those of us out here who care about doing better for our earth and our communities! Please consider this option for us families out here in Three Rivers! Thank you!

💎 I appreciate you! 💎
