Hello!

My family and I reside on our rural property between Tumalo and Sisters. We currently are garbage customers of Republic Services, and would LOVE it if the county passed the rural recycling proposal! We will happily pay the additional \$6 service fee for the convenience.

We currently have to drive all of our recycling either into Bend and/or Sisters or the transfer station to public recycling sites. The addition of this service is sure to entice moral rural customers to recycle; as it is currently a dedicated chore.

Thank you for hearing our voice in absence of attending the meeting.

Kari and Dan Anthon
